Finally! The end of your day is at hand…

Roll out the carpet and strike up the band!

You've completed your rounds, and helped lots of folks—

You've cheered us all up with your laughter and jokes.

But all kidding aside you're a wonderful guy—

We want you to know just a few reasons why.

You're kind, you're thoughtful, and quick on your feet…

You always say, "Hi!" to whomever you meet.

From A through to Z we've tried to express

That we think you are awesome – We *know* you're the BEST!

At the end of the day we are sure you must be

Ready for bedtime to catch a few ZZZZZZZZZZ's!

So here is a snack to help you sleep well…

Rest easy and know that we think you are SWELL!
